1. Print this file in colour on card or paper, each sheet will make a double sided piece of bunting. Print as many as you need ...

...we suggest a minimum of 15 triangles on around 2-3 metres of string, this will drape, so make it longer than you think!

In aid of

Helen & Douglas House

your local children's hospice

2. Fold the page in half, then cut out the triangles.
3. Using a hole punch, make two holes in the top edge.

4. Thread string through all of your bunting.
5. Secure at each end and display your bunting proudly.

Improving the lives of local terminally ill children and their families
