

In making a booking with Helen & Douglas House (Hinton skydiving centre) you will be deemed to have accepted the Hinton skydiving centre terms and conditions of trade and you should note the clauses dealing with cancellation of bookings and limitation of liability.

All persons attending courses are required to become provisional members of the British Parachute Association. Paperwork is done on arrival at the centre and membership is included in the cost of the jump. Membership of the BPA covers you with a third party liability insurance to the value of £2,000,000. Once purchased, membership cards for the British Parachute Association are nontransferable and non-refundable.

Once you have made a booking, the date can be changed for an alternative date as long as a notice period exceeding seven days is given in writing. Changing the date of any activity within seven days of the allocated date will result in an admin charge of £20 per person. Failure to attend on the day of the booking, for whatever reason, will result in the loss of the deposit paid.

Booking in times are used as a guide only and you should expect to be at the centre for a minimum of half a day for your experience. Weather and other factors may result in delays. Students jump on a first come, first served basis so you may be required to wait for your turn along with other members of the public and club members.

Hinton skydiving centre reserve the right to make reasonable changes to the programme of any activity so long as these do not affect to any material extent the nature and scope of such activity.

Due to the nature of some of the activities they may be subject to cancellation due to weather conditions or other matters beyond the control of Hinton skydiving centre. This decision will only be made on the day of the activity in order that we may give our customers the best advice possible.

Persons choosing not to attend or wishing to rebook before this decision has been made will be charged a £20 rebooking fee.

Activities that need to be rearranged due to adverse weather conditions, where that decision has been made by Hinton Skydiving Centre, will not be charged.

Hinton skydiving centre reserves the right to reschedule the timings or location of any activity, possibly at short notice, owing to unavailability of the activity, booking numbers, or any factor beyond the control of Hinton skydiving centre.

Hinton skydiving centre reserves the right to discontinue any activity at its own discretion.

The minimum age for any parachute activity is sixteen. Persons between sixteen and eighteen years of age will be required to be accompanied by a parent or guardian aged 21 or over to sign consent forms on the day that they book in at the centre.

Currently there is no upper age limit for Tandem Skydiving and as long as you are physically fit and healthy you can self-declare by completing BPA medical form 115A which is attached to all booking confirmations. If there is a doubt about fitness or where existing medical conditions require the advice of a doctor then BPA medical form 115B must be used. This form, (115B), is available on request from Helen & Douglas House, and must be stamped and signed by a doctor and brought to the Centre on the day of your jump.

The maximum weight limit for all courses is 15 stone (95 Kilos). Students will be weighed, fully clothed, on the morning of the jump.
